

# OREGON HIP HOP ARCHITECTURE MLK DAY

FREE and open to youth of color and allies grades 7-12  
Monday, January 17, 2022, 11am-1:30pm PST, Zoom  
**Register by January 7: [bit.ly/hhamlk22\\_signup](https://bit.ly/hhamlk22_signup)**

Join us for a virtual one-day design and hip hop event! Explore the world of architecture through the lens of hip hop culture and work with professionals in the field to build a “frozen music” city model based on hip hop lyrics.

There is no typical student for the Hip Hop Architecture program. Our students are inspiring architects, urban planners, hip hop artists, musicians, computer game creators, interior designers, industrial designers, politicians and more!
